The Beat is What Counts~

We're Proud!

Our school band, The Elements, was chosen and performed at The Bull Run in Shirley on Sunday, April 2nd.

This was a [FutureStars](#) event put on by [City Music](#). Benefits went to support local school music programs.

"The Elements" Played an amazing show! Five bands preformed and "The Elements" were up third. They arrived dressed very professionally. They spoke to the crowd and were engaging. The whole room was captured by their performance. "The Elements" had the full attention of the crowd. A few member of the band were also sick, but they still showed up and preformed through it. As they say "The show must go on".

"Sleeping Beauty" is a classic fairy tale originally written by Charles Perrault and the Brothers Grimm. A disgruntled fairy casts an evil spell on an infant princess. Many years later, the beautiful young princess sees an old woman spinning in the castle. The curse is fulfilled as the princess pricks her finger on the spindle and instantly falls into a deep sleep. 100 years pass and a handsome prince from a local family spies the castle, discovers the beautiful princess and awakens her with his kiss.

Dominick F. is a Euphonium student with **Peter**.

This past weekend the McCarthy Middle School Festival Band played at Mechanics Hall in Worcester, MA for The Massachusetts Instrumental and Choral Conductors Association (MICCA) Gold Medal Showcase. They received the first Gold Medal for McCarthy! Dominick is playing the Euphonium!

Korn's New Bassist Is The 12-Year-Old Son Of Metallica's Bassist

There's now a definitive child of the Korn.

Over the weekend, nu-metal band Korn announced on Facebook that they will be touring their upcoming South America shows with a "special guest." Filling in for their regular bassist, Fieldy, will be Tye Trujillo — the 12-year-old son of Metallica bassist Robert Trujillo.

"We are bummed Fieldy can't join us on this run but excited to do a few gigs with a young player like Tye," said the band in the statement. "We look forward to welcoming our brother Fieldy back when we return to the States in May."

The young Trujillo is currently the bassist for a band called The Helmets. His famous dad has played live with him onstage in the past, which you can watch below.
